

Clapham and Patching CofE Primary School

'Learn, Love and Flourish with God'

Sport Premium Funding 2025-2026

At Clapham and Patching CofE Primary School we use the additional funding provided through PE and Sports Premium to meet the Department of Education's stated expectation that we will make additional and sustainable improvements to the quality of PE and sport that we offer. We will ensure that we strive to ensure that the children receive a wealth of sporting opportunities and a high-quality Physical Education.

Our school vision echoes this:

We believe that a happy child is a successful one. Our vision is for our children to be confident, creative, kind and responsible individuals who, aspire to achieve their full potential with God. We do this by providing a welcoming, happy, safe and supportive learning environment, in which everyone is equal, can flourish and all achievements are celebrated.

We 'Learn, Love and Flourish with God'.

We ensure that we measure our achievement against the five key indicators:

1. The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement.
3. Increased confidence, knowledge, and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sports
